

Doing business with the world since 1968

Introduction

Company with long history and experience since 1968

Local representative in your country

Personalized Professional service

Work with Audited factories in China

Help unaudited factories in China to get audited.

Company Strong financial background to offer you easy payment terms

Skillful Negotiation Skills with Chinese Manufacturers

Direct Buying from China Manufacturers to ensure your lowest cost

Great Quality Control Team ; Logistics Team ; Financial Team all working for you

Advantages

1

WORK WITH YOUR DESIRED FACTORY:

We are capable to work with your factory, which you may have sourced recently in the one of the many Trade Shows and Exhibitions.

How are we capable?

EXPERIENCED TEAM of BANKING, LOGISTICS, FINANCING, SOURCING, MERCHANDISING, QUALITY CONTROL, DESIGNERS – everything is in the house

2

MATCH PRICE:

We can offer SAME price that you can get directly from your factory, including buying from your factory !

How do we do that?

By buying “local” – which means paying 30% deposit to factory , establishing a “ relationship “ with factory , and paying balance amount before shipment / after quality inspection .

3

INTRODUCE YOU “UNEXPLORED“ FACTORY :

We are very well experienced to work with factories that are ‘ local ‘ ; and not participating in International or Guangzhou Trade Shows – which give you so many price advantages .

4

WORK ON OEM and PRIVATE LABEL PROJECTS:

When you work with us on your OEM projects, you are assured by legal contract and document with China factory not to reveal your item ; designs ; to any 3rd Party . We can enforce NDA (Non – Discloser Agreement) – a legally binding contract that establishes a confidential relationship .

5

“HOP ON BOARD“ OUR EXPERTISE AND EXPERIENCE

We have a lot of development in the product lines and categories that we are working with . What’s more ,

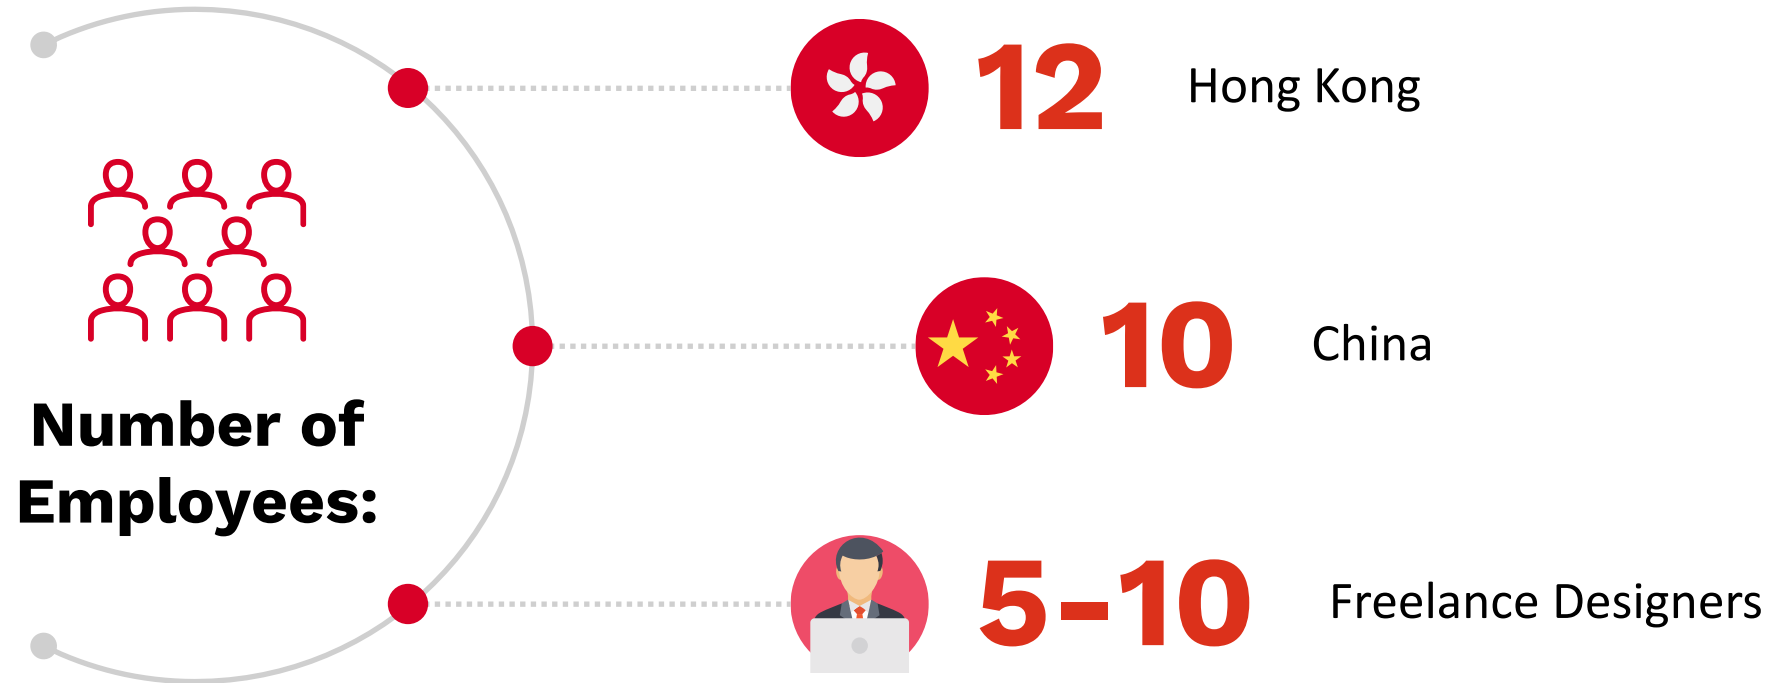

6

CONFIDENCE

We can ship to YOUR buyer without revealing factory contact information .

Sales Figures

Business Volume

Year	2023	2022	2021	2020	2019	2018	2017
